---

Now, for the first time ever, with the publication of these five volumes, a complete records index of Harrison County marriages, from 1794 thru to 2008, can be at your fingertips!

Each volume contains a complete alphabetical, every name, bride and groom marriage record index and includes license and/or marriage dates with their corresponding document numbers or volume and page citations.

Introductory texts explain how each index was created and how to obtain copies of the original marriage records. All books are comb-bound with protective presentation covers, front and back, for a durable and attractive appearance!

Please consider adding the following indexes for more than two centuries of records on file in the offices of the Harrison County Court Clerk to your own genealogy bookshelf.

Just turn the page to learn how to order any, or all, of these fine books.

Every page includes easy-to-read columns on letter-sized paper. Included are the names of the bride and groom, their license and/or marriage dates, plus the relevant document citation.
